

# CENTERM CHROMEBOOK M612B

Your Ultimate Companion  
for Hybrid Learning

As part of the innovative Centerm Mars Series, Centerm Chromebook M612B is built to revolutionize hybrid learning experiences. Equipped with the powerful Chrome Education Upgrade, it simplifies device management for educators and IT teams, ensuring smarter, more efficient learning environments.

## **360° VERSATILE HINGE**

Adapt to any scenario with stand, tent, or tablet modes, providing unparalleled flexibility for hybrid learning.

## **USI ACTIVE STYLUS**

Create with precision, sketch, and write effortlessly using 4,096 pressure levels that respond to the lightest touch.

## **EMPOWERING LEARNING WITH CHROME EDUCATION UPGRADE**

CEU gives school IT administrators the ability to remotely manage settings, enforce policies, and ensure data protection.

## **RESPONSIVE MULTI-TOUCH DISPLAY**

A brilliant 11.6" HD screen with optional 10-point multi-touch and direct bonding for smooth, precise, and intuitive interaction.

## **SPILL-RESISTANT DESIGN**

Withstands up to 300cc of water on the keyboard and 200cc on the touchpad, providing peace of mind in busy classrooms.

## **INTEGRATED PEN HOLDER WITH USB-C CHARGING**

Keep your stylus securely stored and wirelessly charged in one sleek, convenient compartment.

## PRODUCT AT A GLANCE
